IN RE PERRIGO COMPANY PLC SECURITIES
LITIGATION

19-CV-70 (DLC)

**NOTICE OF (I) PROPOSED SETTLEMENT AND PLAN OF ALLOCATION; (II) SETTLEMENT
HEARING; AND (III) MOTION FOR AN AWARD OF
ATTORNEYS' FEES AND REIMBURSEMENT OF LITIGATION EXPENSES**

TO: All persons or entities who purchased or otherwise acquired publicly traded Perrigo Company plc Corporation ("Perrigo" or the "Company") common stock in the United States during the period November 8, 2018, to December 20, 2018, inclusive (the "Class Period"), and were damaged thereby.

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

NOTICE OF SETTLEMENT: Please be advised that the Court-appointed Lead Plaintiffs, The City of Boca Raton General Employees' Pension Plan and Palm Bay Police and Firefighters' Pension Fund ("Lead Plaintiffs" or "Class Representatives"), on behalf of themselves and the Class (as defined below), have reached a proposed settlement of the Action for \$31,900,000.00 that, if approved, will resolve all claims in the Action (the "Settlement").

This Notice is directed to you in the belief that you may be a member of the Class. If you do not meet the Class definition, this Notice does not apply to you.

PLEASE READ THIS NOTICE CAREFULLY. This Notice explains important rights you may have, including the possible receipt of cash from the Settlement. If you are a member of the Class, your legal rights will be affected whether or not you act.

If you have any questions about this Notice, the proposed Settlement, or your eligibility to participate in the Settlement, please DO NOT contact the Court, Perrigo, any other Defendants in the Action, or their counsel. All questions should be directed to Lead Counsel or the Claims Administrator (see paragraph 76 below).

1. **Description of the Action and the Class:** This Notice relates to a proposed Settlement of claims in a pending securities class action brought by investors alleging, among other things, that defendants Perrigo, Murray S. Kessler ("Kessler"), and Ronald L. Winowiecki ("Winowiecki" and, together with Kessler, the "Individual Defendants," and together with Perrigo, "Defendants") violated the federal securities laws by making false and misleading statements or omissions in Perrigo's SEC Form 10-Q for the third quarter of 2018 related to the receipt of an audit findings letter from the Irish Office of the Revenue Commissioners ("Irish Revenue"). A more detailed description of the Action is set forth in paragraphs 11-16 below. The proposed Settlement, if approved by the Court, will settle claims of the Class.

2. **Statement of the Class's Recovery:** Subject to Court approval, Lead Plaintiffs, on behalf of themselves and the Class, have agreed to settle the Action in exchange for a settlement payment of \$31,900,000.00 (the "Settlement Amount") to be deposited into an escrow account. The Net Settlement Fund (*i.e.*, the Settlement Amount plus any and all interest earned thereon (the "Settlement Fund")) less (a) any Taxes, (b) any Notice and Administration Costs, (c) any Litigation Expenses awarded by the Court, and (d) any attorneys' fees awarded by the Court) will be distributed in accordance with a plan of allocation that is approved by the Court, which will determine how the Net Settlement Fund shall be allocated among members of the Class. The proposed plan of allocation (the "Plan of Allocation") is set forth in paragraphs 43-46 below.

3. **Estimate of Average Amount of Recovery Per Share:** Based on Lead Plaintiffs' damages expert's estimates of the number of publicly traded Perrigo common shares in the United States ("Perrigo Stock") during the Class Period that may have been affected by the alleged conduct at issue in the Action and assuming that all Class Members elect to participate in the Settlement, the estimated average recovery (before the deduction of any Court-approved fees, expenses, and costs as described herein) per allegedly damaged share is \$3.10. Class Members should note, however, that the foregoing average recovery per share is only an estimate. Some Class Members may recover more or less than this estimated amount depending on, among other factors, when and at what prices they purchased/acquired or sold their Perrigo Stock and the total number and recognized loss amount of valid Claim Forms submitted. Distributions to Class Members will be made based on the Plan of Allocation set forth herein (see paragraphs 43-46 below) or such other plan of allocation as may be ordered by the Court.

4. **Average Amount of Alleged Damages Per Share:** Based on Lead Plaintiffs’ damages expert’s estimate, had Lead Plaintiffs prevailed at trial on all of their claims, and also prevailed on the expected appeal that would follow such trial, the estimated average recovery (before the deduction of any Court-approved fees, expenses, and costs as described herein) per allegedly damaged share would be \$13.52. However, the Parties do not agree on the average amount of alleged damages per share that would be recoverable if Lead Plaintiffs were to prevail in the Action. Among other things, Defendants deny the assertion that they violated the federal securities laws or that any damages were suffered by any members of the Class as a result of their conduct.

5. **Attorneys’ Fees and Expenses Sought:** Plaintiffs’ Counsel, which have been prosecuting the Action on a wholly contingent basis since its inception, have not received any payment of attorneys’ fees for their representation of the Class and have advanced the funds to pay expenses necessarily incurred to prosecute this Action. Court-appointed Lead Counsel Saxena White P.A. will apply to the Court for an award of attorneys’ fees in an amount not to exceed 33-1/3% of the Settlement Fund, including any interest earned thereon. In addition, Lead Counsel will apply for reimbursement of Litigation Expenses paid or incurred in connection with the institution, prosecution, and resolution of the claims against the Defendants, in an amount not to exceed \$1,100,000.00, which may include an application for reimbursement of the reasonable costs and expenses incurred by Lead Plaintiffs directly related to their representation of the Class. Any fees and expenses awarded by the Court will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses. Estimates of the average recovery per allegedly damaged Perrigo Stock, if the Court approves Lead Counsel’s fee and expense application, is \$1.96 per allegedly damaged share.

6. **Identification of Attorney Representatives:** Lead Plaintiffs and the Class are represented by Joseph E. White, III, 7777 Glades Road, Suite 300, Boca Raton, FL 33434, (561)-394-3399, jwhite@saxenawhite.com.

7. **Reasons for the Settlement:** Lead Plaintiffs’ principal reason for entering into the Settlement is the substantial immediate cash benefit for the Class without the risk or the delays inherent in further litigation. Among other things, Lead Plaintiffs faced the very real risk that they would not be able to establish that Defendants acted with fraudulent intent, or the necessary state of mind. Indeed, Defendants intended to offer evidence they relied in good faith on the professional advice of their outside counsel and independent auditors when making the disclosure decisions that were at issue in the case. Defendants also intended to offer evidence that they lacked any motive to commit securities fraud, as no Perrigo executives engaged in any insider selling during the Class Period, and in fact certain Defendants purchased stock during that time period. Moreover, the substantial cash benefit provided under the Settlement must be considered against the significant risk that a smaller recovery – or no recovery at all – might be achieved after a trial of the Action and the likely appeals that would follow a trial. This process could be expected to last several years. Defendants, who deny all allegations of wrongdoing or liability whatsoever, are entering into the Settlement solely to eliminate the uncertainty, burden, and expense of further protracted litigation.

Before agreeing to the Settlement, Lead Counsel conducted extensive investigation and research into the merits of the Action. This investigation included consultation with experts concerning the amount of damages allegedly suffered by the Class; detailed review of Perrigo’s public filings, including SEC filings, press releases, and other public statements; deposing fact and expert witnesses; collecting from Defendants and reviewing more than 81,000 pages of documents; and researching the applicable law with respect to the claims asserted in the complaint filed in this Action and the potential defenses thereto.

YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT:	
FILE A CLAIM	This is the only way to be potentially eligible to receive a payment from the Settlement Fund. If you are a Class Member, you will be bound by the Settlement as approved by the Court and you will give up any Released Plaintiffs’ Claims (defined in paragraph 24 below) that you have against Defendants and the other Defendants’ Releasees (defined in paragraph 25 below), so it is in your interest to submit a Claim Form.
OBJECT TO THE SETTLEMENT	If you do not like the proposed Settlement, the proposed Plan of Allocation, and/or the request for attorneys’ fees and reimbursement of Litigation Expenses, you may write to the Court and explain why you do not like them. You cannot object to the Settlement, the Plan of Allocation, or the fee and expense request unless you are a Class Member.

ATTEND A HEARING	Filing a written objection and notice of intention to appear by January 26, 2022, allows you to speak in Court, at the discretion of the Court, about the fairness of the proposed Settlement, the Plan of Allocation, and/or the request for attorneys' fees and reimbursement of Litigation Expenses. If you submit a written objection, you may (but you do not have to) attend the hearing and, at the discretion of the Court, speak to the Court about your objection.
DO NOTHING	If you are a member of the Class and you do not submit a valid Claim Form, you will not be eligible to receive any payment from the Settlement Fund. You will, however, remain a member of the Class, which means that you give up your right to sue about the claims that are resolved by the Settlement and you will be bound by any judgments or orders entered by the Court in the Action.

WHY DID I GET THIS NOTICE?

8. The Court directed that this Settlement Notice be mailed to you because you or someone in your family or an investment account for which you serve as a custodian may have purchased or otherwise acquired Perrigo common stock during the Class Period. The Court has directed us to send you this Notice because, as a potential Class Member, you have a right to know about your options before the Court rules on the proposed Settlement. Additionally, you have the right to understand how this class action lawsuit may generally affect your legal rights. If the Court approves the Settlement and the Plan of Allocation (or some other plan of allocation), the Claims Administrator selected by Lead Plaintiffs and approved by the Court will make payments pursuant to the Settlement after any objections and appeals are resolved.

9. The purpose of this Settlement Notice is to inform you of the terms of the proposed Settlement, and of a hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement, the proposed Plan of Allocation, and the motion by Lead Counsel for an award of attorneys' fees and reimbursement of Litigation Expenses (the "Settlement Hearing"). See paragraph 64 below for details about the Settlement Hearing, including the date and location of the hearing.

10. The issuance of this Settlement Notice is not an expression of any opinion by the Court concerning the merits of any claim in the Action, and the Court still has to decide whether to approve the Settlement. If the Court approves the Settlement and a plan of allocation, then payments to Authorized Claimants will be made after any appeals are resolved and after the completion of all claims processing. Please be patient, as this process can take some time to complete.

WHAT IS THIS CASE ABOUT?

11. After the stock market closed on December 20, 2018, Perrigo announced that on November 29, 2018, its subsidiary received a Notice of Amended Assessment from the Irish Office of the Revenue Commissioners ("Irish Revenue"), Ireland's tax authority, assessing Perrigo with a €1.636 billion (approximately \$1.9 billion) tax liability, not including interest or any applicable penalties. The price of shares of Perrigo Stock declined the following day, from closing at \$52.36 per share on December 20, 2018, to closing at \$37.03 per share on December 21, 2018.

12. On January 3, 2019, investors filed a federal securities class action alleging claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934. On March 26, 2019, the Court issued an order appointing the City of Boca Raton General Employees' Pension Plan, and Palm Bay Police and Firefighters' Pension Fund as "Lead Plaintiffs" pursuant to the Private Securities Litigation Reform Act of 1995 (the "PSLRA"). In the same order, the Court approved Lead Plaintiffs' selection of Saxena White P.A. as Lead Counsel for the Class.

13. The Second Amended Class Action Complaint for Violations of the Federal Securities Laws (the "Complaint") was filed on May 31, 2019. The Complaint alleges, among other things, that during the period of November 8, 2018, up to and including December 20, 2018 (the "Class Period"), the Defendants allegedly made material misrepresentations and omissions to investors regarding the €1.636 billion tax liability assessed by Irish Revenue. The Complaint alleges that, among other things, unbeknownst to investors, (i) on October 30, 2018, Perrigo received an "Audit Findings Letter" from Irish Revenue detailing its findings from its year-long audit of transactions in which Perrigo sold its rights to the multiple sclerosis drug Tysabri® for a total of approximately \$6 billion; (ii) the Audit Findings Letter informed Perrigo that it owed €1,636,047,646 in back taxes; and (iii) on November 29, 2018, Perrigo received from Irish Revenue a Notice of Amended Assessment in the exact same amount listed in the Audit Findings Letter. The Complaint alleges that the Defendants misled the investing public in its Form 10-Q filed on November 8, 2018, by disclosing only that Perrigo had received "an audit finding letter" from Irish Revenue (without disclosing the amount of tax liability stated in the letter) and by falsely claiming that any resulting tax assessment "cannot be quantified at this stage." The Complaint asserts that Defendants' misrepresentations and omissions caused Perrigo shareholders to purchase their stock at artificially inflated prices and suffer damages when the Notice of Amended Assessment was disclosed to the market. The action was placed on the trial-ready calendar for the week of October 11, 2021.

14. Based on their investigation, discovery, prosecution, and mediation of the case, Lead Plaintiffs and Lead Counsel have concluded that the terms and conditions of the Stipulation are fair, reasonable, and adequate to Lead Plaintiffs and the other members of the Class, and in their best interests. Based on Lead Plaintiffs' oversight of the prosecution of this matter and with the advice of their counsel, each of the Lead Plaintiffs has agreed to settle and release the claims raised in the Action pursuant to the terms and provisions of the Stipulation, after considering, among other things, (a) the substantial financial benefit that Lead Plaintiffs and the other members of the Class will receive under the proposed Settlement; (b) the significant risks and costs of continued litigation and trial; and (c) the desirability of permitting the proposed Settlement to be consummated as provided by the terms of the Stipulation.

15. The Stipulation and the Settlement constitute a compromise of matters that are in dispute among the Parties. Defendants have entered into the Stipulation solely to eliminate the uncertainty, burden, and expense of further protracted litigation. Each of the Defendants denies any wrongdoing, and the Settlement and Stipulation shall in no event be construed or deemed to be evidence of or an admission or concession on the part of any of the Defendants with respect to any claim or allegation of any fault, liability, wrongdoing, or damage whatsoever, or any infirmity in the defenses that the Defendants have, or could have, asserted. Defendants expressly deny that Lead Plaintiffs have asserted any valid claims as to any of them, and expressly deny any and all allegations of fault, liability, wrongdoing, or damages whatsoever. The Stipulation and the Settlement also shall in no event be construed or deemed to be evidence of or an admission or concession on the part of any Lead Plaintiff of an infirmity in any of the claims asserted in the Action, or an admission or concession that any of the Defendants' defenses to liability had any merit.

16. On October 29, 2021, the Court preliminarily approved the Settlement, authorized this Notice to be disseminated to potential Class Members, and scheduled the Settlement Hearing to consider, among other things, whether to grant final approval to the Settlement.

WHAT ARE LEAD PLAINTIFFS' REASONS FOR THE SETTLEMENT?

17. The action was placed on the trial-ready calendar for the week of October 11, 2021. Lead Plaintiffs and Lead Counsel believe that the claims asserted against Defendants have merit. They recognize, however, the expense and length of continued proceedings necessary to pursue their claims against Defendants through further motion practice, trial, and appeals, as well as the very substantial risks they would face in establishing liability and damages. Lead Plaintiffs and Lead Counsel recognized that Defendants had numerous avenues of attack that could preclude a recovery. For example, Defendants would assert that they relied on the advice of their counsel when making the alleged misstatements and therefore lacked sufficient knowledge of the falsity of their statements (also known as scienter). Even if the hurdles to establishing liability were overcome, the amount of damages that could be attributed to the allegedly false statements would be hotly contested. Lead Plaintiffs would have to prevail at an imminent trial, and even if they prevailed at this trial, they would have to prevail on the appeals that were likely to follow. Thus, there were very significant risks attendant to the continued prosecution of the Action.

18. In light of these risks, the amount of the Settlement, and the immediacy of recovery to the Class, Lead Plaintiffs and Lead Counsel believe that the proposed Settlement is fair, reasonable, and adequate, and in the best interests of the Class. The \$31.9 million Settlement Amount represents a recovery exceeding 22% of maximum provable damages of \$142 million. Lead Plaintiffs and Lead Counsel believe that the Settlement provides a substantial benefit to the Class, as compared to the risk that the claims in the Action would produce a smaller or no recovery after trial and appeals, possibly years in the future.

19. Defendants have denied the claims asserted against them in the Action and in the Complaint and deny having engaged in any wrongdoing or violation of law of any kind whatsoever. Defendants have agreed to the Settlement solely to eliminate the burden and expense of continued litigation. Accordingly, as noted above, the Settlement may not be construed as an admission of any wrongdoing by Defendants.

WHAT MIGHT HAPPEN IF THERE WERE NO SETTLEMENT?

20. If there were no Settlement and Lead Plaintiffs failed to establish, either at trial or on appeal, any essential legal or factual element of their claims against Defendants, neither Lead Plaintiffs nor the other members of the Class would recover anything from Defendants. Among other things, Lead Plaintiffs faced the very real risk that they would not be able to establish that Defendants acted with fraudulent intent, or the necessary state of mind. Indeed, Defendants intended to offer evidence they relied in good faith on the professional advice of their outside counsel and independent auditors when making the disclosure decisions that were at issue in the case. Defendants also intended to offer evidence that they lacked any motive to commit securities fraud, as no Perrigo executives engaged in any insider selling during the Class Period, and in fact certain Defendants purchased stock during that time period. Defendants also intended to offer evidence that Lead Plaintiffs could not establish loss causation and damages, either in part or in full. In light of these circumstances, the Class could recover substantially less than the amount provided in the Settlement, or nothing at all.

HOW ARE CLASS MEMBERS AFFECTED BY THE ACTION AND THE SETTLEMENT?

21. As a Class Member, you are represented by Lead Plaintiffs and Lead Counsel, unless you enter an appearance through counsel of your own choice at your own expense. You are not required to retain your own counsel, but if you choose to do so, such counsel must file a notice of appearance on your behalf and must serve copies of his or her appearance on the attorneys listed in the section entitled, “When And Where Will The Court Decide Whether To Approve The Settlement?” below.

22. If you are a Class Member and you wish to object to the Settlement, the Plan of Allocation, or Lead Counsel’s application for attorneys’ fees and reimbursement of Litigation Expenses, you may present your objections by following the instructions in the section entitled, “When And Where Will The Court Decide Whether To Approve The Settlement?” below.

23. If you are a Class Member, you will be bound by any orders issued by the Court. If the Settlement is approved, the Court will enter a judgment (the “Judgment”). The Judgment will dismiss with prejudice the claims against Defendants and will provide that, upon the Effective Date of the Settlement, Lead Plaintiffs and each of the other Class Members, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns, in their capacities as such, shall be deemed to have, and by operation of the Stipulation, of law, and of the Judgment shall have, fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Plaintiffs’ Claims (as defined in paragraph 24 below) against the Defendants and the other Defendants’ Releasees (as defined in paragraph 25 below), and shall forever be barred and enjoined from prosecuting any or all of the Released Plaintiffs’ Claims against any of the Defendants’ Releasees.

24. “Released Plaintiffs’ Claims” means, all claims, demands, losses, rights, and causes of action of any nature whatsoever, whether known or Unknown Claims, that have been or could have been asserted in this Action or could in the future be asserted in any forum, whether foreign or domestic, whether arising under federal, state, common, or foreign law, by Lead Plaintiffs, the Class, any member of the Class, or their successors, assigns, executors, administrators, representatives, attorneys, and agents, in their capacities as such, whether brought directly or indirectly against any of the Defendants or against Mr. Roehrhoff, which: (a) arise out of, are based upon, or relate to in any way any of the allegations, acts, transactions, facts, events, matters, occurrences, representations, or omissions involved, set forth, alleged, or referred to in this Action, including, but not limited to, claims arising from statements or omissions in Perrigo’s (i) annual report for the fiscal year ending December 31, 2017, filed on Form 10-K on March 1, 2018; (ii) definitive proxy statement filed on Schedule 14A with the SEC on March 23, 2018; (iii) quarterly report for the first quarter of 2018 filed on Form 10-Q on May 8, 2018; (iv) quarterly report for the second quarter of 2018 filed on Form 10-Q on August 9, 2018; and (v) quarterly

report for the third quarter of 2018 filed on 2018 Form 10-Q on November 8, 2018; and (b) arise out of, are based upon, or relate to in any way to the purchase, acquisition, holding, sale, or disposition of any Perrigo securities during the Class Period or during the expanded class period of March 1, 2018, through December 20, 2018, inclusive, as alleged in the Complaint. Released Plaintiffs' Claims do not include any claims relating to the enforcement of the Settlement (the "Excluded Plaintiffs' Claims"). This settlement does not involve or release the claims asserted in *Roofers' Pension Fund v. Papa, et al.*, No. 16-cv-02805 (D.N.J.).

25. "Defendants' Releasees" means Defendants; the present and former parents, subsidiaries, divisions, and affiliates of Perrigo (each a "PRGO Affiliate"); the present and former employees, officers, and directors of Perrigo and of each PRGO Affiliate; Mr. Roehrhoff; the present and former attorneys, accountants, insurers, and agents of each of the Defendants, the PRGO Affiliates, and the present and former employees, offices, and directors of Perrigo; and the predecessors, heirs, successors, and assigns of each.

26. "Unknown Claims" means any Released Plaintiffs' Claims which any Lead Plaintiff, the Class, or any other Class Member does not know or suspect to exist in his, her, or its favor at the time of the release of such claims, and any Released Defendants' Claims which any Defendant or any other Defendants' Releasee does not know or suspect to exist in his, her, or its favor at the time of the release of such claims, which, if known by him, her, or it, might have affected his, her, or its decision(s) with respect to this Settlement. With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date of the Settlement, Lead Plaintiffs and Defendants shall expressly waive, and each of the Class, the other Class Members, and each of the other Plaintiffs' Releasees and Defendants' Releasees shall be deemed to have waived, and by operation of the Judgment shall have expressly waived, any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, which is similar, comparable, or equivalent to California Civil Code §1542, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Lead Plaintiffs and Defendants acknowledge that they may hereafter discover facts in addition to or different from those which they or their counsel now know or believe to be true with respect to the subject matter of the Released Claims, but Lead Plaintiffs and Defendants shall expressly settle and release, and the Class and each Class Member, upon the Effective Date, shall be deemed to have, and by operation of the Judgment, shall have, fully, finally, and forever settled and released any and all Released Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including but not limited to, conduct which is negligent, intentional, with or without malice, or a breach of any duty, law, or rule, without regard to the subsequent discovery or existence of such different or additional facts. Lead Plaintiffs and Defendants acknowledge, and each of the Class and the other Class Members and each of the other Plaintiffs' Releasees and Defendants' Releasees shall be deemed by operation of law to have acknowledged, that the foregoing waiver was separately bargained for and constitutes a key element of the Settlement.

27. The Judgment will also provide that, upon the Effective Date of the Settlement, Defendants, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns, in their capacities as such, shall be deemed to have, and by operation of the Stipulation, of law, and of the Judgment shall have, fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Defendants' Claim (as defined in paragraph 28 below) against any of the Plaintiffs' Releasees (as defined in paragraph 29 below), and shall forever be barred and enjoined from prosecuting any or all of the Released Defendants' Claims against any of the Plaintiffs' Releasees.

28. "Released Defendants' Claims" means all claims and causes of action of every nature and description, whether known claims or Unknown Claims, whether arising under federal, state, common, or foreign law, that arise out of or relate in any way to the institution, prosecution, or settlement of the claims asserted in the Action against the Defendants. Released Defendants' Claims do not include any claims relating to the enforcement of the Settlement (the "Excluded Defendants' Claims").

29. "Plaintiffs' Releasees" means Lead Plaintiffs, all other plaintiffs in the Action, their respective attorneys, and all other Class Members.

30. The Judgment will also provide that, upon the Effective Date, to the extent allowed by law, the Stipulation shall operate conclusively as an estoppel and full defense in the event, and to the extent, of any claim, demand, action, or

proceeding brought by a Class Member against any of the Defendants' Releasees with respect to any Released Plaintiffs' Claim, or brought by a Defendant against any of the Plaintiffs' Releasees with respect to any Released Defendants' Claim.

31. The Judgment shall, among other things, provide for the dismissal with prejudice of the Action against the Defendants, without costs to any Party, except for the payments expressly provided for in the Stipulation.

HOW DO I PARTICIPATE IN THE SETTLEMENT? WHAT DO I NEED TO DO?

32. To be potentially eligible for a payment from the proceeds of the Settlement, you must be a member of the Class and you must timely complete and return the Claim Form with adequate supporting documentation. The Claim Form and documentation can be submitted by mail or online at the Settlement website, www.PerrigoSecuritiesClassAction.com. The Claim Form must be postmarked or submitted online no later than March 21, 2022. A Claim Form is included with this Notice, or you may obtain one from the website maintained by the Claims Administrator for the Settlement, www.PerrigoSecuritiesClassAction.com, or you may request that a Claim Form be mailed to you by calling the Claims Administrator toll-free at (877) 884-4197. Please retain all records of your ownership of and transactions in Perrigo Stock, as they may be needed to document your claim. If you do not submit a timely and valid Claim Form, you will not be eligible to share in the Net Settlement Fund.

HOW MUCH WILL MY PAYMENT BE?

33. At this time, it is not possible to make any determination as to how much any individual Class Member may receive from the Settlement, except to state that each Class Member will receive his, her, or its *pro rata* share.

34. Pursuant to the Settlement, Perrigo has agreed to pay \$31,900,000.00. The Settlement Amount will be deposited into an escrow account. The Settlement Amount plus any interest earned thereon is referred to as the "Settlement Fund." If the Settlement is approved by the Court and the Effective Date occurs, the "Net Settlement Fund" (that is, the Settlement Fund less (a) all federal, state, and/or local taxes (including any interest or penalties thereon) on any income earned by the Settlement Fund, the reasonable costs incurred in connection with determining the amount of and paying taxes owed by the Settlement Fund (including reasonable expenses of tax attorneys and accountants), and all taxes imposed on payments by the Settlement Fund, including withholding taxes; (b) the costs and expenses incurred in connection with providing notice to Class Members and administering the Settlement on behalf of Class Members; and (c) any attorneys' fees and Litigation Expenses awarded by the Court) will be distributed to Class Members who submit valid Claim Forms, in accordance with the proposed Plan of Allocation or such other plan of allocation as the Court may approve.

35. The Net Settlement Fund will not be distributed unless and until the Court has approved the Settlement and a plan of allocation, and the time for any petition for rehearing, appeal, or review, whether by certiorari or otherwise, has expired.

36. Neither Defendants nor any other person or entity that paid any portion of the Settlement Amount on their behalf is entitled to get back any portion of the Settlement Fund once the Court's order or judgment approving the Settlement becomes final. Defendants shall not have any liability, obligation, or responsibility for the administration of the Settlement, the disbursement of the Net Settlement Fund, or the Plan of Allocation.

37. Approval of the Settlement is independent from approval of a plan of allocation. Any determination with respect to a plan of allocation will not affect the Settlement, if approved.

38. Unless the Court otherwise orders, any Class Member who fails to submit a Claim Form postmarked or submitted online on or before March 21, 2022, shall be fully and forever barred from receiving payments pursuant to the Settlement but will in all other respects remain a Class Member and be subject to the provisions of the Stipulation, including the terms of any Judgment entered and the releases given. This means that each Class Member releases the Released Plaintiffs' Claims (as defined in paragraph 24 above) against the Defendants' Releasees (as defined in paragraph 25 above) and will be enjoined and prohibited from filing, prosecuting, or pursuing any of the Released Plaintiffs' Claims against any of the Defendants' Releasees whether or not such Class Member submits a Claim Form.

39. Participants in and beneficiaries of a Perrigo-sponsored plan covered by ERISA ("ERISA Plan") should NOT include any information relating to their transactions in Perrigo Stock held through the ERISA Plan in any Claim Form that they may submit in this Action. They should include ONLY those shares of Perrigo Stock that they purchased or acquired outside of the Perrigo-sponsored ERISA Plan.

40. The Court has reserved jurisdiction to allow, disallow, or adjust on equitable grounds the claim of any Class Member.

41. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to his, her, or its Claim Form.

42. Only Class Members will be potentially eligible to share in the distribution of the Net Settlement Fund. Persons and entities that are excluded from the Class by definition will not be eligible to receive a distribution from the Net Settlement Fund and should not submit Claim Forms.

PROPOSED PLAN OF ALLOCATION

43. The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund among Authorized Claimants who suffered economic losses as a proximate result of the alleged wrongdoing. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, nor indicative of, the amounts that Class Members might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund.

44. The Plan of Allocation was created with the assistance of a consulting damages expert and reflects the assumption that Defendants' alleged false and misleading statements and material omissions proximately caused the price of Perrigo common stock to be artificially inflated throughout the Class Period. In calculating the estimated artificial inflation allegedly caused by Defendants' alleged misrepresentations and omissions, Lead Plaintiffs' damages expert considered price changes in Perrigo common stock in reaction to certain public announcements allegedly revealing the truth concerning Defendants' alleged misrepresentations and material omissions, adjusting for price changes that were attributable to market or industry forces.

45. In order to have recoverable damages, the disclosure of the allegedly misrepresented information must be the cause of the decline in the price of Perrigo common stock. In this case, Lead Plaintiffs allege that Defendants made false statements and omitted material facts during the period between November 8, 2018, and December 20, 2018, inclusive, which had the effect of artificially inflating the price of Perrigo common stock. Lead Plaintiffs further allege that corrective information was released to the market on December 20, 2018 (after market close), which removed the artificial inflation from the price of Perrigo common stock on December 21, 2018.

46. Recognized Loss Amounts are based primarily on the difference in the amount of alleged artificial inflation in the prices of Perrigo common stock at the time of purchase or acquisition and at the time of sale, or the difference between the actual purchase price and sale price. Accordingly, in order to have a Recognized Loss under the Plan of Allocation, a Class Member who or which purchased or otherwise acquired Perrigo common stock during the Class Period must have held those shares through at least the end of day on December 20, 2018.

CALCULATION OF RECOGNIZED LOSS AMOUNTS

47. Based on the formula stated below, a Recognized Loss Amount will be calculated for each purchase or acquisition of publicly traded Perrigo common stock made in the United States that is listed on the Claim Form and for which adequate documentation is provided. If a Recognized Loss Amount calculates to a negative number or zero under the formula below, that number will be zero.

48. For each share of publicly traded Perrigo common stock purchased or otherwise acquired in the United States during the Class Period (*i.e.*, during the period from November 8, 2018, through and including the close of trading on December 20, 2018), and:

- i. sold before December 21, 2018, the Recognized Loss Amount will be \$0.00.
- ii. sold from December 21, 2018, through and including the close of trading on March 20, 2019, the Recognized Loss Amount will be ***the least of:*** (i) \$14.63, the amount of artificial inflation per share on the date of purchase/acquisition; (ii) the purchase/acquisition price minus the average closing price between December 21, 2018, and the date of sale as stated in Table A below; or (iii) the purchase/acquisition price minus the sale price.
- iii. held as of the close of trading on March 20, 2019, the Recognized Loss Amount will be ***the lesser of:*** (i) \$14.63, the amount of artificial inflation per share on the date of purchase/acquisition; or (ii) the purchase/acquisition price minus \$45.90.¹

¹ Pursuant to Section 21D(e)(1) of the Exchange Act, "in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market." Consistent with the requirements of the Exchange Act, Recognized Loss Amounts are reduced

ADDITIONAL PROVISIONS

49. **Calculation of Claimant's "Recognized Claim":** A Claimant's "Recognized Claim" will be the sum of his, her, or its Recognized Loss Amounts as calculated above with respect to Perrigo common stock.

50. The Net Settlement Fund will be allocated among all Authorized Claimants whose Recognized Claim is \$10.00 or greater.

51. **FIFO Matching:** If a Class Member made more than one purchase/acquisition or sale of Perrigo common stock during the Class Period, all purchases/acquisitions and sales will be matched on a First In, First Out ("FIFO") basis. Class Period sales will be matched first against any holdings at the beginning of the Class Period, and then against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Class Period.

52. **"Purchase/Sale" Dates:** Purchases or acquisitions and sales of Perrigo common stock will be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. The receipt or grant by gift, inheritance, or operation of law of Perrigo common stock during the Class Period shall not be deemed a purchase, acquisition, or sale of Perrigo common stock for the calculation of a Claimant's Recognized Loss Amount, nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase/acquisition/sale of Perrigo common stock unless (i) the donor or decedent purchased or otherwise acquired or sold Perrigo common stock during the Class Period; (ii) the instrument of gift or assignment specifically provides that it is intended to transfer such rights; and (iii) no claim was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such shares of Perrigo common stock.

53. **Short Sales:** The date of covering a "short sale" is deemed to be the date of purchase or acquisition of the Perrigo common stock. The date of a "short sale" is deemed to be the date of sale of the Perrigo common stock. In accordance with the Plan of Allocation, however, the Recognized Loss Amount on "short sales" and the purchases covering "short sales" is zero.

54. In the event that a Claimant has an opening short position in Perrigo common stock, the earliest purchases or acquisitions of Perrigo common stock during the Class Period will be matched against such opening short position and not be entitled to a recovery until that short position is fully covered.

55. **Common Stock Purchased/Sold Through the Exercise of Options:** With respect to Perrigo common stock purchased or sold through the exercise of an option, the purchase/sale date of the common stock is the exercise date of the option and the purchase/sale price is the exercise price of the option.

56. **Determination of Distribution Amount:** If the sum total of Recognized Claims of all Authorized Claimants who are entitled to receive payment out of the Net Settlement Fund is greater than the Net Settlement Fund, each Authorized Claimant shall receive his, her, or its *pro rata* share of the Net Settlement Fund. The *pro rata* share will be the Authorized Claimant's Recognized Claim divided by the total of Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund.

57. If the Net Settlement Fund exceeds the sum total amount of the Recognized Claims of all Authorized Claimants entitled to receive payment out of the Net Settlement Fund, the excess amount in the Net Settlement Fund will be distributed *pro rata* to all Authorized Claimants entitled to receive payment.

58. If an Authorized Claimant's Distribution Amount calculates to less than \$10.00, no distribution will be made to that Authorized Claimant.

59. After the initial distribution of the Net Settlement Fund, the Claims Administrator will make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain in the Net Settlement Fund nine (9) months after the initial distribution, if Lead Counsel, in consultation with the Claims Administrator, determine that it is cost-effective to do so, the Claims Administrator will conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions and who would receive at least \$10.00 from such re-distribution. Additional re-distributions to Authorized Claimants who have cashed their prior checks and who would receive at least \$10.00 on such additional re-distributions may occur thereafter if Lead Counsel, in consultation with the Claims

to an appropriate extent by taking into account the closing prices of Perrigo common stock during the "90-day look-back period," December 21, 2018, through and including March 20, 2019. The mean (average) closing price for Perrigo common stock during this 90-day look-back period was \$45.90.

Administrator, determine that additional re-distributions, after the deduction of any additional fees and expenses incurred in administering the Settlement, including for such re-distributions, would be cost-effective. At such time as it is determined that the re-distribution of funds remaining in the Net Settlement Fund is not cost-effective, the remaining balance will be contributed to non-sectarian, not-for-profit, 501(c)(3) organization(s) to be recommended by Lead Counsel and approved by the Court.

60. Payment pursuant to the Plan of Allocation, or such other plan of allocation as may be approved by the Court, will be conclusive against all Authorized Claimants. No person shall have any claim against Lead Plaintiffs, Plaintiffs' Counsel, Lead Plaintiffs' damages expert, Lead Plaintiffs' consulting experts, Defendants, Defendants' Counsel, or any of the other Plaintiffs' Releasees or Defendants' Releasees, or the Claims Administrator or other agent designated by Lead Counsel arising from distributions made substantially in accordance with the Stipulation, the plan of allocation approved by the Court, or further Orders of the Court. Neither Plaintiffs' Releasees nor Defendants' Releasees shall have any responsibility or liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Fund; the Plan of Allocation; the determination, administration, calculation, or payment of any claim or nonperformance of the Claims Administrator; the payment or withholding of Taxes; or any losses incurred in connection therewith.

61. The Plan of Allocation stated herein is the plan that is being proposed to the Court for its approval by Lead Plaintiffs after consultation with their damages expert. The Court may approve this plan as proposed or it may modify the Plan of Allocation without further notice to the Class. Any Orders regarding any modification of the Plan of Allocation will be posted on the case website, www.PerrigoSecuritiesClassAction.com.
